DC Comics Batman Paper Toy

Things you will need:

1. Color printer

2. Paper (Thicker paper is preferred)

3. Tape

4. Scissors

5. An adult to help

Directions:

Step 1:   Cut along the outline of the figures.

Step 2:   Fold along the black lines.

Step 3:   Starting with the head, tape each edge together so all white areas are on the INSIDE.

Step 4:   Repeat the above steps for the body.

Step 5:   For cape piece, cut along the outside and fold on the black line.
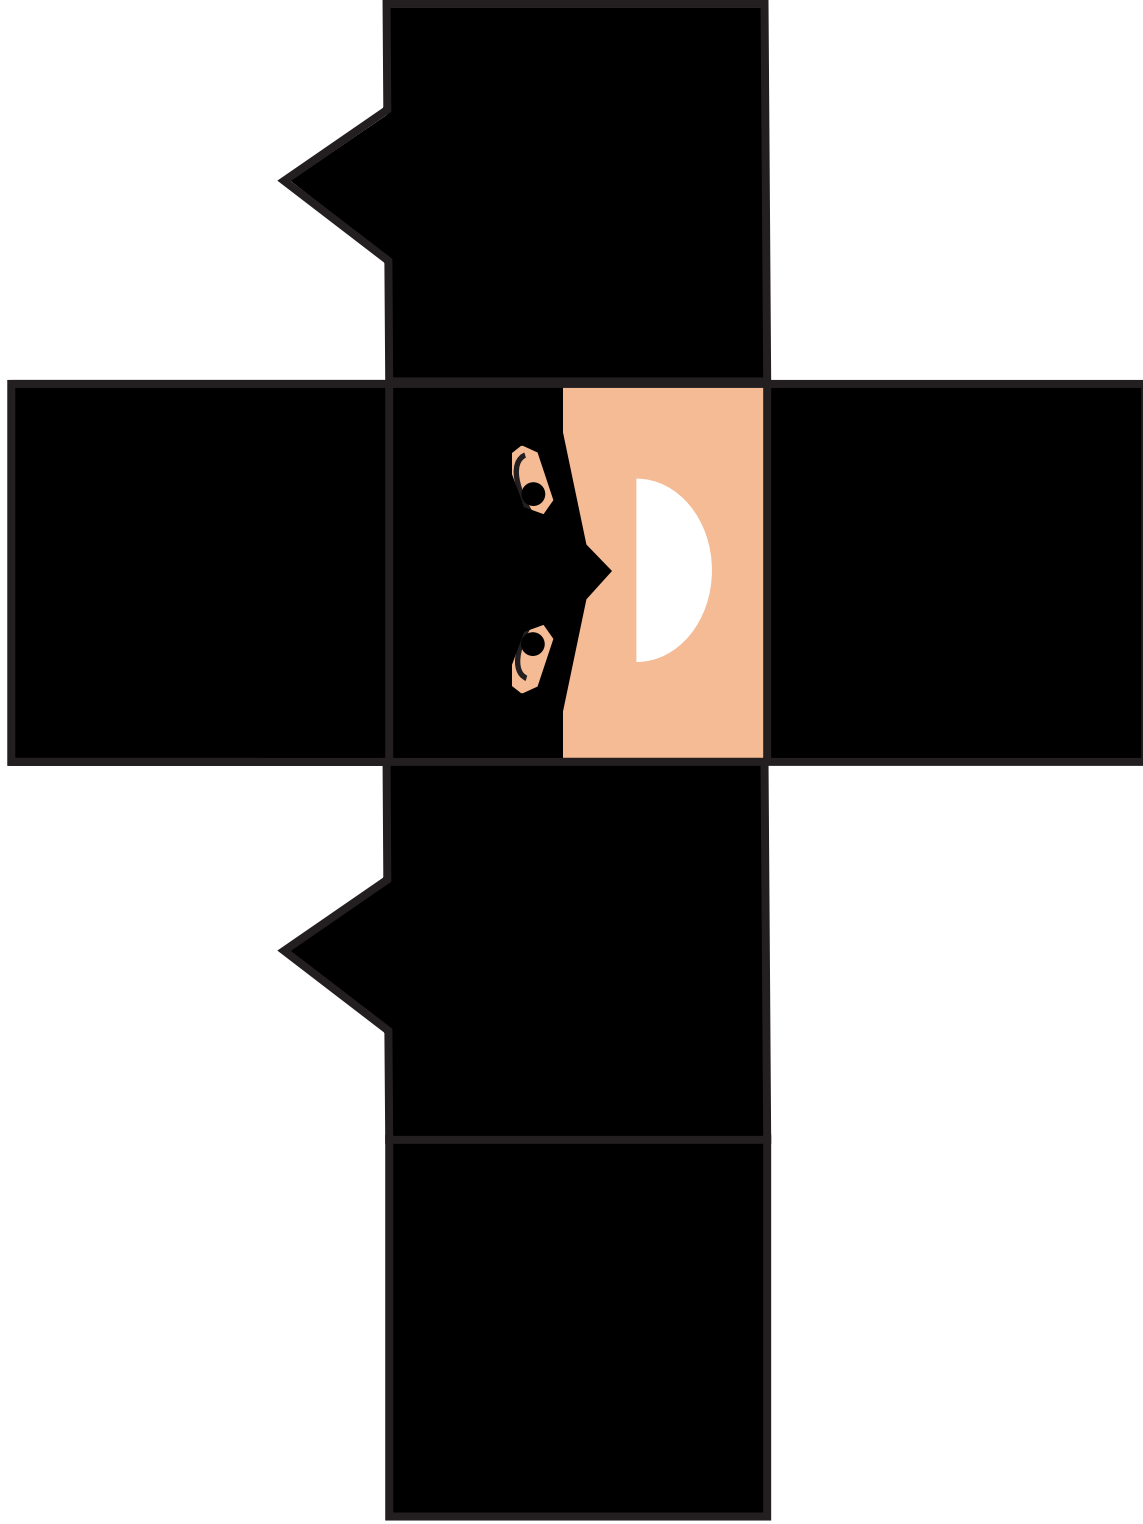

Step 6:   Tape cape to body (optional for Batman). Bat Symbol should be in front.
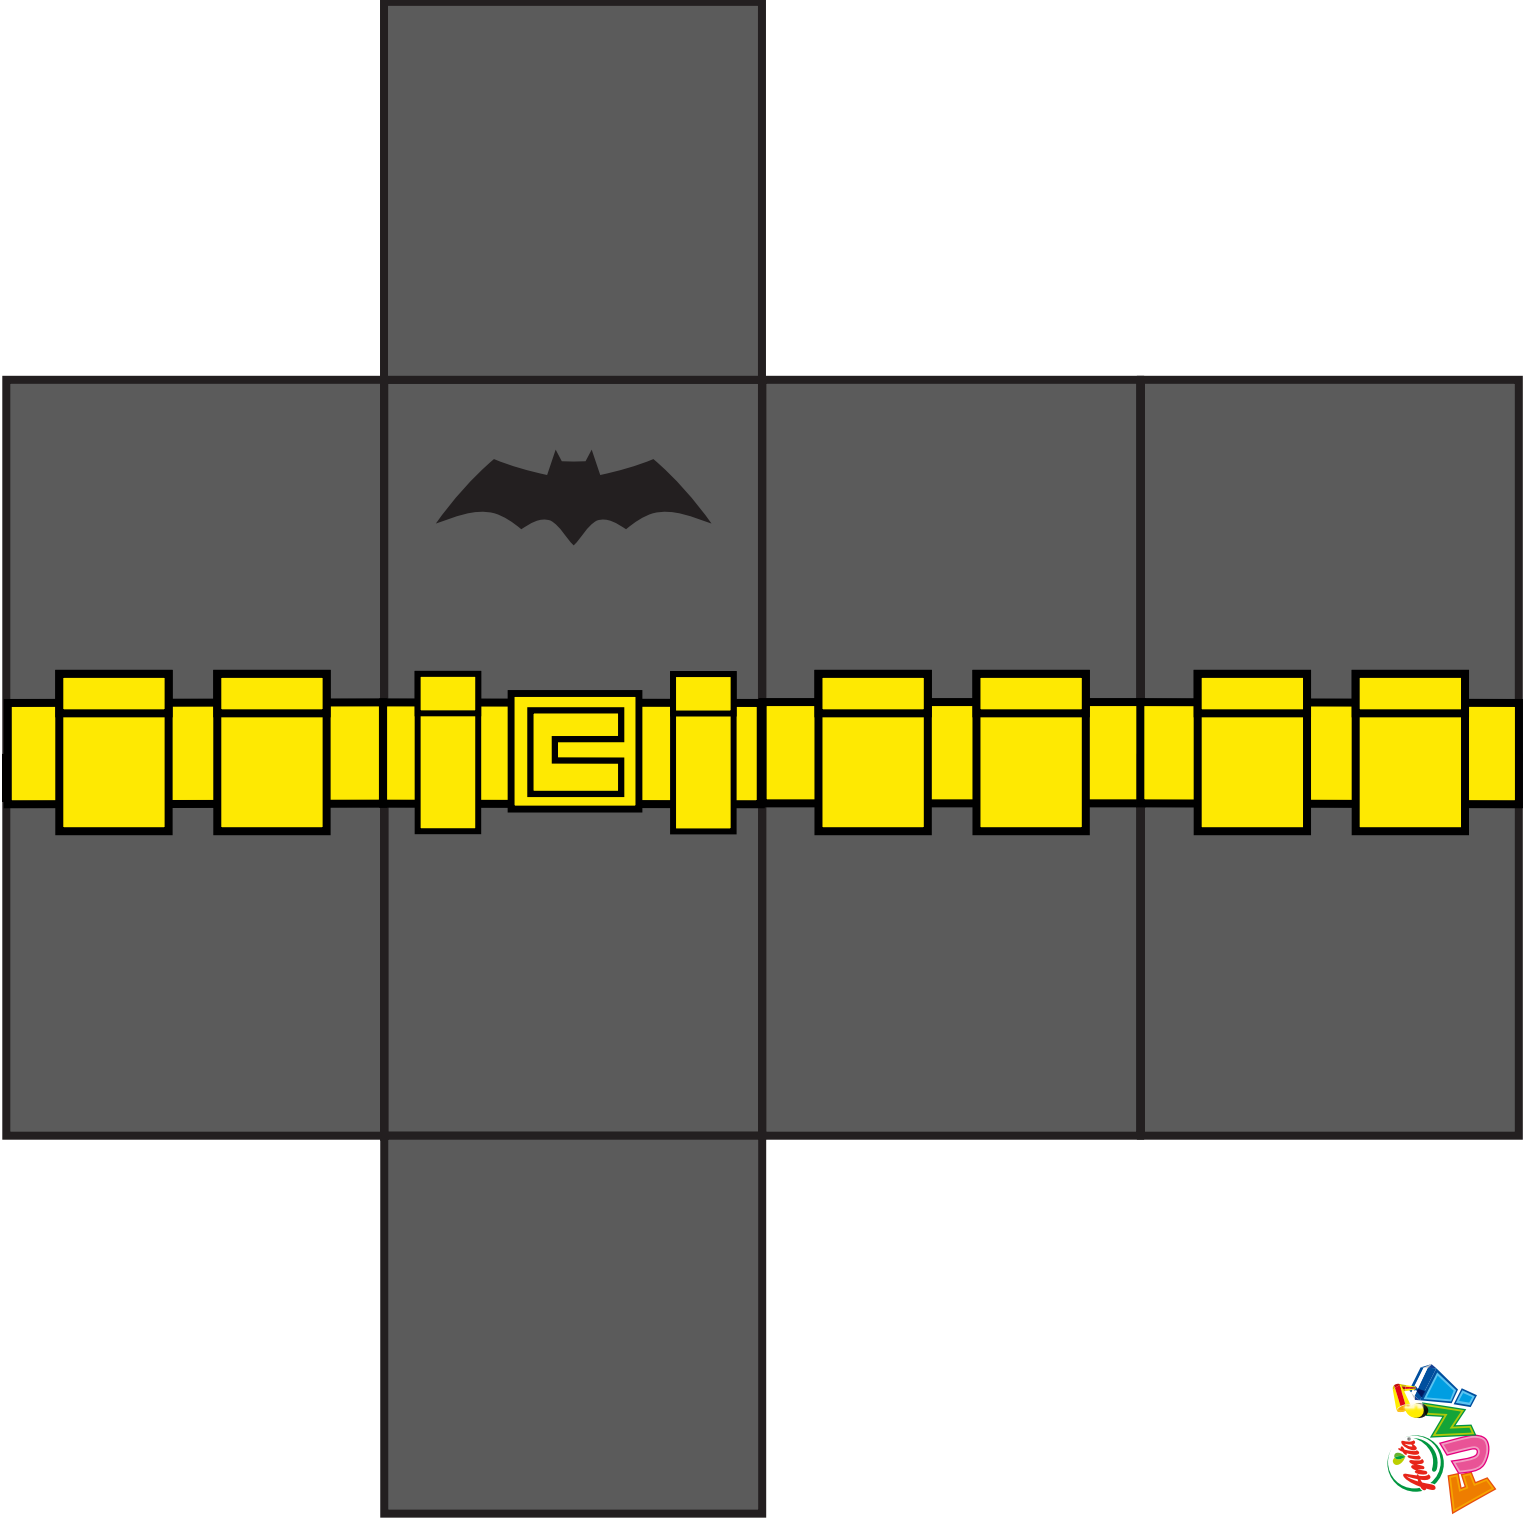

Step 7:   Tape head to the cape.

Step 8:   Enjoy!
